#### 1. EXT. BEACH - DAY

A couple is frolicking merrily along a beach as dusk begins to settle. Like a couple that had just been married, they jump on each other and chase the waves. Their wedding rings are clear in view. As the day ends, they settle down on a tree by the sea, enjoying themselves with a picnic.

As they stare lovingly into each other's eyes, the woman brings out a velvet box and presents it to the man. The box opens and the man gasps. In the box is a 'Love is patient' Medallion. The woman leans in close, sealing the deal with a kiss.

#### 4. EXT. SENTOSA BEACH RESORT - DAY

At the vending machine, the woman is choosing from an array of collections. She picks the 'Love is patient' medallion on a touch screen selection menu. The medallion is transported carefully into the collection compartment. The woman picks it up, smiles and walks away.

The company logo graphic and its information pops up.
